LOUIS BERNARD

As of 1976, Mr Bernard travelled throughout the Rhône Valley in search of exceptional winegrowers producing wines of great authenticity and true to their terroir. Since then, close partnerships have been established with more than 20 respected vineyard owners. 40 years later, the Louis Bernard spirit is still alive and has been given a new inspiration thanks to a young and dynamic team established in the village of Gigondas. **Generous, convivial, accessible** are the descriptions that come to mind when discovering these inspiring wines.

The spirit of Louis Bernard

Sylvain Jean, the Louis Bernard winemaker, and our **winegrower partners** are committed to sustainable agriculture and earth-friendly policies. The Louis Bernard winery is recognised «**Exemplary**» in **Sustainable Development**.

Sylvain is convinced that the quality of a wine depends above all on the selection of the fruit in respect of the environment. Together they guarantee the 'Louis Bernard style' is very much focused on **Grenache**, the king of grape varieties in the **southern Rhône Valley**.

CÔTES DU RHÔNE is one of the largest and most diverse French appellations with more than 35,000Ha (86,000 acres) from south of Lyon all the way to Avignon. Along the length of the **Rhône River**, the Côtes du Rhône vineyards thrive on **rich and varied terroirs**. Its history starts in 125BC when the **Romans** first planted vines in the region.

In 1650, regulations were introduced to ensure that the wine was genuine and to guarantee its quality. A royal decree in 1737 stated that all barrels destined for sale or transport must be branded with the letters "C.D.R". Finally, the region was awarded the 'AOC' (Registered Designation of Origin) Côtes du Rhône in 1937.

Winemaking

Respecting the environment and the people, the vines receive no chemical or synthetic treatments whatsoever.

The grapes are destemmed. Traditional vinification with a long vatting time (up to 3 weeks) to concentrate the colour and the aromas. The wine is then aged 6 months in tank with no oak élevage, favouring the rich fruit character. Vegan wine.

Tasting notes

Lovely dark, garnet colour. Bouquet of red berries with lots of black Grenache character. Rich and ample with silky tannins and a long, elegant finish.

Service & food pairing

Best served between 16° and 18°C. Although excellent now, this wine can be cellared up to 4 years of age.

A wine for all occasions, enjoy with meat, grilled chicken, pizza, pasta dishes, mushroom omelet, vegetable pies and many other country dishes.
